Remember Her? Try Not To Gasp When You See Her Now

Hi Bill,

I am on a cruise going from Bangkok to Dubai via India with my wife.

After receiving two pieces of T3 from you, I took the manual and quick-start card out of one the cases to browse through them and forgot to put them back before the unit was shipped to a customer. They are at my house, and there is nobody at my house in my absence, so they cannot be sent to the customer before I return while the customer needs them urgently.

Is there any way you can find a way to get a scanned copy of the manual and quick-start card for T3 and email them to me ASAP? I will greatly appreciate that.

Best wishes, Naum
